

ST. MILDRED'S CHURCH, SOMERSET KENTUCKY

DEAR FRIEND:

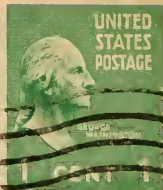

Remember our letter to you about the ground—hog's shadow and our little church in the catacombs? Well, thanks to the Infant of Prague and your generosity, our new church is beginning to cast a shadow. Will be finished in March, 1949. (21 years without a church.) We shall never forget what you have done for us. However, we may have to save our pennies for years to come—to pay off the debt. Please pray that we shall make the grade.

Yours sincerely in Christ,

REV. J. A. O'BRYAN
